“ *They say friends are the family we choose. Being chosen by Brian was one of the greatest moments of my life and when B passed, it was the one of the worst moments of my life. Honoring a friend's death is truly about honoring their life. I am grateful I can revel and reflect on all our moments as family. We all thank you for your service and may you rest in peace brother. Oh how I remember Brian as a child. He and Jeff were 2 of my favorites of all of the kids in town! 2 sweet little boys that both turned into awesome men. My heart is broken that Brian has left this earth and I pray for strength for Jeff to keep living a full life. Sending love and hugs!
