“ *I'm very sad to hear of Dionne's passing. We enjoyed much time together playing softball on the Swedettes team for our church. She was an excellent player! Also we sang together in the church choir & often got in trouble for having a case of the giggles!*

I was saddened when I heard of Dionne's passing. We enjoyed such great times together including the Swedettes softball team, church youth group, attending Covenant Harbor Bible Camp and graduating from high school together. I will cherish these memories. She had a great faith in the Lord!

Sad to hear of Dionne's passing. I remember the noon softball games in Middle school. Mr. Kingston always pitched for both teams. The team that had Dionne had the best player on the field. Rest in Peace.

I knew Dee from working in the offices at Kraft. We laughed a lot together, she was such a super sweet woman. I will always remember her laugh. I'll see you again someday in Heaven my friend.

*Sending deepest sympathy and prayers to Dionne's family. We grew up in the same church and my older sister (Arlie) worked with her at the bank and my older brother (Terry) was her classmate. We sang in the choir together and tried desperately not to bust out in laughter each Sunday. We played on the Swedettes softball team and she gave me many rides to and from the games. I felt so honored to ride in her beautiful Chevy convertible and "drag main" for hours. Being with Dionne and laughing together was an honor and I will cherish those memories. God bless her family and friends during this sad time.
