“ *Met Ernie while I was stationed in Ft Hood. I had a small mg convertible and he had a yard full of British cars. I spent many afternoons there tinkering with cars. Was a pleasure to know him.*

“ *I didn't know he passed away*

I met Ernie at an auction on Fort Hood where we were both bidding against each other for an old screen printing machine. Of course he won but I made a good friend after that. I will always remember his kind heart.

“Ernie and I were in the same platoon in Infantry Officer Candidate School where we graduated as 2LT's on 5 Feb 68. After OCS we went our separate ways until we began holding OCS class reunions every 2 years back in 2004. Ernie was always present for our reunions and, of course, he was the life of the party. I remember back in OCS his nickname was "Bootblack." While the rest of the platoon accomplished many evening tasks, Ernie showed his expertise by shining the entire platoon's boots ... quite an undertaking! We will all miss Ernie greatly. He will always be remembered as a patriot who served his country with bravery and honor.

“My name is Lisa from Copperas Cove where Ernie lived. I have to say he was one of a kind. I don't think he ever met a stranger. He was a great friend and gave great advice. He was always there for me when I was in need of a meal or a little work. I will miss him so much. Prayers and love for his family.
