“*Mary was such a great part of our special events team at Old St. Patrick’s Church. Her hard work, intelligence and humor were always so appreciated! She was a invaluable member of our group and we missed her so very much when she moved on. I will always remember the beautiful gift she made for my first born, Kyle. I treasure it and the loving care she took in creating it for me. Rest In Peace, Mary. You were one of a kind and I will always be grateful to have known you. 💖*

“*I have known Mary for 8 years since i started at Jeld-Wen and i have to say when i first met her she scared the crap out of me, lol. The one thing i remember most about her is she loved her family, especially her grandchildren, One thing you knew from the start is just where you stood with her. She was the grandmother of the group, always ready to give advice and didnt mince words if you messed up or did something stupid. I am truly going to miss this incredible woman, the office wont be the same without her. RIP Mary,*

*Love you,
