“ Auntie Mary was like a second mom to me when I was growing up. My mom would go visit a lot with Auntie Mary. I remember every time we would go there she would be at her sewing machine or in the kitchen cooking. I lived next to Auntie Mary after I was married in the trailer. She would let me hang cloth diapers on her clothes line to dry and we would sit and visit and watch my boys play. The last time I saw Auntie Mary was in Cissna Park for her birthday. The look she had when she saw me, and said Barbie and cried and hugged me. We sat and talked for awhile after her party and held hands. I will cherish that memory for ever .Fly high Auntie Mary I love you!!!

“ Mary was a dear frien to Chris and I. She was my mentor for our church secretary. Chris was her walker maintenance man. Today i remembered her as i put clips on my garden flags. She said that is the only way to keep them on. Mary will truly be missed prayers for her family.
